INT. BEDROOM NIGHT

Four TEENAGE GIRLS sit in a circle on the floor, sandwiched between a bed with yellow sheets and a closed closet. JESSIE, (15) a short girl with scraggly hair and long yellow pajamas, is turned towards MAY, (14) a slightly taller girl wearing pink shorts and a tank top.

On the other side of May is KATIE (15), a girl with long blond hair, blue pajamas, and matching fuzzy slippers.

In between Katie and Jessie is the final girl, LESLIE (15), a short haired girl wearing a loose fitting black shirt and green flannel pajama pants.

The girls are all GIGGLING.

JESSIE
Okay, okay, now it's Leslie's turn.
Truth or dare?

LESLIE
Truth!

JESSIE
Oh my god guys, help me think of a
juicy question!

KATIE
Oh I've got an good idea! Do you
have a crush on Todd?

May and Jessie GIGGLE with delight at the question.

LESLIE
Guys come on, Jessie's supposed to
ask the question.

JESSIE
Okay, do you love Todd?

Jessie wiggles her eyebrows and Leslie's face turns red.

MAY
Oh my God she totally does!

KATIE
Awww, you guys would be so cute
together!

LESLIE
I don't have a crush on Todd!
Actually, there's something I've
wanted to tell you guys.

(CONTINUED)

The mood turns somber, the girls stop giggling.

Jessie puts her hand on Leslie's knee.

JESSIE

You can tell us anything.

MAY

Except that you have a crush on
Adam. I've totally got dibs.

Katie elbows May.

MAY

But if it is Adam I'm sure we could
totally share.

LESLIE

No, actually. I'm... a lesbian.
There. I said it. I like girls.

No one responds, the three girls look at Leslie in stunned
silence.

After a beat of silence, May speaks.

LESLIE

This doesn't change anything about
me guys, I just-

JESSIE

It's okay Leslie. You don't have to
defend yourself, we accept that you
are a lesbian and everything that
comes with it.

KATIE

We'll even help you pick up girls
to go out with at night.

MAY

Totally, though I hope you spare
Adam from your nightly purging of
all the straight men in town.

Jessie and Katie nod, looking to Leslie.

LESLIE

(confused)

What?

KATIE

Oh my god, I heard Daphne Miller was bisexual. You guys could TOTALLY go on your nightly hunt for the straights together, it'd be so romantic.

LESLIE

My hunt for the straights? What are you guys talking about I don't hunt straight people I-

JESSIE

Of course not, you only hunt cis straight people. Trans and non-binary are completely off limits. We didn't mean to imply any different.

LESLIE

No! No guys! I don't hunt people! Guys, I just like to kiss girls that's all. I don't hate or hunt straight people.

MAY

Well that's a relief, if you have to kill Adam because he's one of the straights, I'd rather he not have to run for his life and just have him be killed quickly.

LESLIE

I'm not going to-

KATIE

You and Daphne could totally go to a football game date together and take all the cheerleaders uterus's.

LESLIE

Holy shit, guys I am not going to do that kind of crap. What's wrong with you all?!

JESSIE

Yeah, she's a lesbian Katie, not bi! Daphne might be into taking uterus's because she's bi, but Leslie is a lesbian. She just wants to drain the blood of all the straights through their penises.

(CONTINUED)

LESLIE

Drain their blood from their-NO!
Where did you even get that idea?

KATIE

Okay, but what else is she supposed
to use to craft softballs from if
not a uterus of a straight girl?

LESLIE

I don't even like sports, why would
I need to make softballs?!

May rolls her eyes.

MAY

Umm the balls of straight guys? Duh
Katie. Leslie, do you chop those
off before or after you murder
them?

LESLIE

Neither!

MAY

You do it while you murder them?!
Ew. What's the conversion rate for
the softballs anyway?

LESLIE

No one is making softballs out of
male genitalia!

JESSIE

I think they give you a u-hall at
Home Depot for the day if you get a
certain number, but it's mostly
just to assert your dominance over
the other gays.

LESLIE

Do you guys even know what a
lesbian is?!

KATIE

Oh you and Daphne could each take
one ball from the straights you
take down together! It'd be such a
good couples actity.

JESSIE AND MAY

Yesssss!

(CONTINUED)

LESLIE

NO! I don't kill people or take body parts at all! And I especially wouldn't do it with Daphne Miller, she's the worst! Just because she's bisexual doesn't mean we get along or that we kill men! The only thing I do differently from straight people is I like people of my own gender.

MAY

So if you don't kill men how do you get the blood you slather yourself in before going out to meet the other lesbians in the woods at the alter of Hecate?

LESLIE

What is wrong with you?

JESSIE

May! Not all lesbians worship Hecate! She could worship Artemis or Isis or even Hilary Clinton!

Leslie stands up before throwing her hands up in defeat.

LESLIE

That's it. I'm going. I hope when I see you guys at school on Monday you all see how ridiculous you are being.

Leslie leaves the room, SLAMMING the door behind her.

The remaining girls look at each other in surprise.

KATIE

Sorry Daphne, we really thought she was into you.

From out of the closet comes DAPHNE MILLER (15), holding a bloodied uterus and an axe. Her outfit is covered in blood.

DAPHNE

It's okay. You guys still coming to the alter of Hecate tonight?

MAY

Only if I get to drain the blood from Adam's dick!

All the girls GIGGLE.
