Nerd Wars

JOCK enters, NERD is side stage.

JOCK

So my girl got me into Star Wars this weekend, man I am SUCH A MEGA SUPER FAN! Could you imagine how epic football would be if we had the force?!

Nerd approaches.

NERD

Oh please, what do you even know about the Star Wars universe?

JOCK

Ugh yeah I am! I love the way Yoda flips around like a badass by using the force. If I could do that I'd be using the force to throw the perfect pass and force push the opposing team out of my way when I'm making a touchdown. We'd be undefeated! GO COUGARS!

NERD

Really? I bet you don't even know who Qui-Gon Jinn is.

JOCK

ARE YOU KIDDING ME? Qui-Gon Jinn is epic, he's a member of the Jedi council and was important as hell to Obi-Wan's development as a Jedi. It's too bad we didn't see more of him in the animated series Star Wars: The Clone Wars, especially since we didn't seem him until season 3, WHICH IS CRAZY!

NERD

You watched The Clone Wars?

JOCK

Are you kidding me? Of course I did! My girl Ahsoka Tano is stronger than a line backer and more epic than Aaron Donald and Tom Brady combined. Plus after being kicked out of the Jedi Order due to false accusations and than being allowed rejoin my girl Ahsoka said: Nah man, to the Jedi Council and became a goddamn Gray Jedi which is EPIC!

NERD

O-oh....well I bet your favorite character is someone basic like Chewbacca or Han Solo.

(CONTINUED)

JOCK

Oh hell no! My favorite character is Lumpy.

Nerd laughs.

NERD

That isn't a character in Star Wars Universe, you're probably thinking of Space Balls.

JOCK

Ugh yeah it is, it's Chewbacca's son featured in the Star Wars CHRISTMAS SPECIAL! His name's short for Lumpawaroo, along with being in the Christmas special he's mentioned in the books AND HE IS ADORABLE. I just wanna take Lumpy home and teach him HOW TO THROW A SPIRAL!! He'S MY BOYYYY.

NERD

I guess you are a fan...are you excited for the new Star Wars film coming out?

JOCK

UGH. You like the new stuff? It completely goes against the cannon of the books. Saying's it's valid is like saying Jim Harbaw is the greatest football coach of this generation. Someone's a FAKE FAN!
